

Vegetarian and Vegan Menu Guide

Fuzzy's is committed to transparency, and we are proud to offer our guests looking for vegetarian and vegan menu items detailed information to make their menu selections. Use the information in this guide to find a menu item that meets your needs. Please note, some menu items have specific modifications required that you will need to tell your server in order to make the menu item vegetarian or vegan.

The menu items presented in this guide align with Fuzzy's internal definition of vegan and vegetarian, as outlined below. Please be aware that not all ingredients have received formal vegan or vegetarian certification from suppliers.

If you have questions about this information, please contact Fuzzy's Guest Relations 1-888-510-8226.

Vegetarian Menu Guide

Fuzzy's defines vegetarian as a menu item that may contain dairy, eggs, and honey but does not contain beef, poultry, pork, or seafood. In addition, Fuzzy's vegetarian menu items do not contain animal sourced gelatin, flavors, colors, or enzymes. Because we have multiple sources of animal products in our shared cooking and prep areas, including common fryer oil, we are unable to guarantee that any menu item be completely free of animal products. Limited time offers, regional items, test items, or temporary substitutions may not be included.
